CAMPBELL HOUSE  
Cumberland Avenue and Central Street  
Knoxville, Knox County  
Tennessee

HISTORICAL AND ARCHITECTURAL NOTES:

Campbell House is said to have been built about the beginning of the nineteenth century. The general type to which it conforms appears to substantiate this surmised date of erection. It is very similar to those homes built in Knoxville from 1792 to 1800, especially the Jackson House.

The original owner was a Mr. Campbell, third postmaster of Knoxville. At present the place is unoccupied and dilapidated.
